**Subject: CIBS ENCHANTED HOLIDAY BALL 2017!**

No one is looking forward to winter just yet! But, what will put a smile on everyone's face is knowing that the Enchanted Holiday Ball will be held at Cipriani's Saturday December 9<sup>th</sup>, 2017. Our organization provides you with a unique opportunity to be part of this premier industry networking event to make 2017 an even more memorable year!

Now for the part where we need your generosity to keep this wonderful and always well attended event going.

As Chairperson of this incredible event, it is my honor to tell you more about the Holiday Ball. Each winter, CIBS hosts a **Black Tie Ball for our members and their guests at Cipriani's in New York City**. As you know, all attendees receive a gift box containing items donated by cosmetic and personal care marketers, manufacturers and distributors, and we have to say that it makes a big part of this event's success!

We would like to invite you to participate and promote your products at the ball by being part of this prestigious gift bag. We accept donations of finished goods products and selected items that are related to the cosmetic industry. These products are first time use for some customers, and will help promote future interest.

The Cosmetics Industry Buyers and Suppliers organization (CIBS), based in NYC, is a not for profit professional organization. CIBS embraces the entire spectrum of the fragrance and beauty packaging industry, teaming up with buyers and suppliers, along with publishers and retailers. This provides a multi-level approach to our industry's growth. We stand proud as a united organization for the support of all levels and values in the rising global market of today's beauty and lifestyle.

Through our monthly meetings and events, we provide members with unique social networking opportunities as well as prominent speakers and special events throughout the year. CIBS awards annual scholarships to students who have excelled in their studies, as related to the cosmetic industry, encouraging future generations of leaders.

**As a not for profit professional organization, we would appreciate your contribution and support of this event to make it as unique as possible. Note that your company will be listed and provided with a hyperlink on the CIBS website as well as appear on the contributors list enclosed within each bag. The CIBS website averages over 1,600 industry specific visitors each week.**

**Please send two advance samples of your contribution as soon as possible to my attention or a picture if sample not available:**
